CAPABILITIES

Global Event Logistics, Inc., established in 2005, is a specialty shipping company, offering transportation and related services to companies who seek service, value and reliability. Our ownership team, offering 20 years of experience in the logistics arena, specializes in:

- Special event shipping (trade shows, conferences, tours) and other “specialty” shipments (i.e., product demonstration shipments, special moves, shipments that require special instructions such as targeted pick-up or delivery times, rural locations, special handling or packaging, etc.)
- arrangement of all modes of transportation (ground, air, rail and ocean)
- LTL, truckload, flatbed and other types of ground transportation options
- simplified service to Canada and abroad, with arrangement of customs clearance and required documents
- value-added services, including preparation of labels and airway bills, free proof of delivery call and preparation of annual shipping budgets and multi-destination proposals
- 24/hour live service with a single point of contact
- free short-term storage options available in many cities to facilitate multiple destination shipments, as well as long-term storage options at reasonable rates

Others Upon Request

WHY WORK WITH US?

Service without the red tape!

Our customers remain loyal because we answer our cell phones at midnight, email lost labels on Saturdays, and call our drivers to ensure they will arrive on time, with the lift gate you requested.

As business owners, we are personally vested in the success of each shipment. We can customize most requests, all you need to do is ask!

Global Event Logistics also fully utilizes “Cloud Computing”, which recent studies show may reduce emissions and energy consumption by up to 90% for small businesses.*
